

# All-in-One Baby Food Makers

## **The nutribullet Baby Steam + Blend Makes Homemade Meals in Less Time**

The nutribullet Baby Steam + Blend is a new all-in-one system for parents and caregivers that promises to simplify the task of making homemade meals for young ones. This time-saving, mess-reducing system combines the functions of a cooking pot, a steaming basket and a blender in one so that ingredients can be steamed, blended, cooked, defrosted and pureed with ease.

This simple kitchen appliance has one knob that powers on the machine and twists to select programs like Steam, Blend or Pulse, and Auto.

This compact countertop appliance helps to cut down on the number of dishes needed to be done after making homemade baby food, plus it features dishwasher-safe accessories to further reduce the time that needs to be spent in the kitchen. This system for making cooked and fresh baby food promises to be a staple for busy young families.
